MARC ADRIAN BERNALES

INTERNSHIP

PROFESSIONAL SUMMARY

I am applying for an internship position where I can utilize my knowledge, improve my skills, as well as develop my career personality. I am willing to contribute to this company that will allow me to use and improve on my current skills.

WORKS AND PROJECTS

- January 2020 - March 2020 /

Off Record : A Student Information System

The Development and implementation of student information system project called "Off Record", to improve the efficiency of student data management for a particular school

- March 2023 - January 2024 /

Mellowdy: A Windows-Based SoundLearning Tool Application for Superior Smart Educator Academe of Carmona Inc.

The Development and implementation of Windows-Based SoundLearning Tool Application system called "Mellowdy" is an Audio-Visual Sound Learning Tool that was created to help teachers for their lessons to their students by utilizing a sound learning tool.

- July 2022 - August 2023 /

Student Research Center

I organized and setup a network topology for a small nonprofit that helps children in need. The idea is to provide them with computers and a comfortable environment in which to complete their modules or participate in online classes
